2. ELIGIBILITY & APPLICABILITY

- All employees are covered under this policy.

3. PROCESS OWNER (S):

- Corporate Peoples Team.

4. POLICY & PROCEDURE:

- It is the policy of RMZ to comply with all local laws concerning the employment of persons with disabilities. Furthermore, it is the company policy not to discriminate against qualified individuals with disabilities in regard to application procedures, hiring, advancement, discharge, compensation, training or other terms, conditions and privileges of employment.
- When an individual with a disability requests accommodation and can be reasonably accommodated without creating an undue hardship or causing a direct threat to workplace safety, he or she will be given the same consideration for employment as any other applicant. Applicants who pose a direct threat to the health, safety and well-being of themselves or others in the workplace when the threat cannot be eliminated by reasonable accommodation will not be hired.

- RMZ will reasonably accommodate qualified individuals with a disability so that they can perform the essential functions of a job unless doing so causes a direct threat to these individuals or others in the workplace and the threat cannot be eliminated by reasonable accommodation or if the accommodation creates an undue hardship to RMZ. Contact human resources (HR) with any questions or requests for accommodation.
- All employees are required to comply with the company's safety standards. Current employees who pose a direct threat to the health or safety of themselves or other individuals in the workplace will be placed on leave until an organizational decision has been made in regard to the employee's immediate employment situation.
